Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

The applicant inquired as to whether amending claim 1, by including the limitations of claim 11 would render the claims allowable. The examiner informed the applicant that any amendment at this stage would be subjected to amendment after final procedure and that since claim 1 was also under 35 USC 102 and 35 USC 103 rejections, even if such amendment was entered, it does not appear that it would render the claims allowable, since the limitations in claim 11 was directed to how si/al ratio was adjusted while the, i.e. how the product used in a process was prepared.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)

i) ☒ It is not necessary for applicant to provide a separate record of the substance of the interview (if box is checked).
